Christmas Hat

This hat is a free pattern for the funny christmas tree.
You can find the pattern of the tree in my Etsy shop
https://kroeliezdesign.etsy.com

Materials
Please note: this hat was made with chunky chenille yarn (Durable Velvet), because I made the tree with this yarn as well.
If you are making the funny christmas tree with 4-ply (fine) cotton yarn, use cotton yarn to make the hat.

Some left over chunky chenille yarn in white and in red.
I used Durable Velvet White 310 and Tomato 318
Stitch marker
Crochet hook 4mm (US 6/UK 8)

Used abbreviations (US terms)

Sew the hat onto the Christmas tree.

Attach a little colored bell to the Christmas hat or make a pompom in the color you like.
